

SERVICES OVERVIEW

SEARCH DIVISION

FINANCE & ACCOUNTING

For over 35 years, our Finance & Accounting Search practice has been delivering middle management to executive level professionals to an impressive list of clients nationally and internationally.

Our team is comprised of highly specialized recruiters with an average of 15 years of recruiting industry experience, the majority of which have worked in Finance and Accounting roles prior to their careers in search. Drawing on their extensive experience and trusted relationships in the markets they serve, they are able to discern clients' needs and required qualifications to deliver superior candidates.
