SEARCH DIVISION

LEGAL, RISK & COMPLIANCE

Legal, Risk and Compliance departments must deliver targeted guidance to help companies execute on growth priorities within rapidly changing regulatory and technological environments. StevenDouglas knows the importance of connecting companies with the right candidates who can assess these risks and implement programs, procedures and methodologies to ensure the future success for their clients' organization.

With a successful track-record of placing senior and executive level hires, including Chief Risk Officers, Chief Compliance Officers and General Counsels, we are connected to a unique network of talent and resources. Our clients range from Fortune 500 companies to emerging companies, Hedge Funds and Private Equity firms.

StevenDouglas provides its clients with trusted advisors to support adherence to legal standards and regulations in all aspects and levels of business in a constantly evolving landscape.
