

INDUSTRY OVERVIEW

INDUSTRY

HEDGE FUND

StevenDouglas specializes in a targeted and value-added executive recruiting process; dedicated to hedge funds that generate alpha for institutional and accredited investors. We understand the hedge fund landscape and have capacity to identify the best in class candidates across all investment strategies and securities that ensure our clients to achieve absolute returns.

StevenDouglas acts as strategic partner in the acquisition of critical roles, including: Portfolio Management, Trading, Operation's & Technology. In addition to these front-office roles, StevenDouglas can also guide you in placing middle and back-office roles for trade settlement, compliance, IT, HR, and more.

StevenDouglas has experienced advisors working in the on-cycle hedge fund recruiting process, including supporting mega-funds, firms, as well as PE & VC groups.
